

SQE Management Promotion Structure

Safety, Quality and Environment (SQE) Management Structure

TOYO has set up the SQE Committee, which report directly to the President, to review companywide SQE management activities. The Committee establishes the operating policies and assesses and approves the results of SQE activities.

SQE Promotion Committee promotes companywide activities in line with the basic policy of SQE committee, and also promotes specific SQE activities of individual Operating Divisions and individual Project Execution Divisions.

The SQE Management Division monitors the SQE activities performed by individual Operating Divisions and individual Project Execution Divisions, conducts SQE audits and reports the audit results to the SQE Promotion Committee and the SQE Committee.

SQE Promotion Committee and SQE Management Division cooperate systematically on the axis of SQE Committee, which is connected directly to the management, to implement the PDCA cycle of the individual Operating Divisions and individual Project Execution Divisions, for continual improvement of the SQE management system and performance.
