## Corporate Social Responsibility (CSR) Activities – 2020-21

Toyo-India believes that ‘Society must profit from profit itself’ and we continue to live by this commitment. These values are embodied in our business philosophy and is the foundation of our CSR activities which concentrate on giving back to the society. ‘Empowering the society’ is at the core of our CSR program.

During the year 2020-21, the Company undertook CSR Projects mainly in the areas promotion of health care including preventive health care and sanitation, disaster management, promoting education.

### Healthcare:

At present, we are in unprecedented times. The Corona Virus Disease (COVID-19) pandemic is creating havoc across the world and India is no exception. It has severe impact on health of people all over the world. There are increasing number of COVID-19 cases in India. The lock-down of nearly 1300 Million people is leading to disruptions. As a result, for the year 2020-21 our focus was on COVID-19 related activities. Toyo-India has undertaken various healthcare initiatives as under:

- The Company made a significant CSR contribution to Lokmanya Tilak Municipal General Hospital (LTMG Hospital), Sion, Mumbai for the purchase of various equipment, materials, items like Personal Protection Equipment (PPE) Kits, N-95 Masks, Kiosk for swab collection, BP Operators, Pulse Oximeter, Stethoscope and disposable Bed Sheets etc., towards the treatment of COVID-19.

LTMG Hospital has given us a letter sincerely appreciating our financial help in arranging these items in these critical times.
